Everyone benefits when they have the opportunity to process, share, and ask questions. Every evening of Passion Camp, time is dedicated for our Family Groups to meet and grow together. Our Team will provide questions for our Family Group Leaders to help guide the discussion, but will allow them the freedom to lead in a way that is best for their specific group.

# Squads

Squads provide a high-energy, fun, and competitive element to Passion Camp! Students are grouped into teams and led in large group activities as they compete throughout the week. Each team is represented by a different color. Our team will provide your student's squad assignment with enough time to shop for any squad specific attire (typically your squad color).
